TOP SECURITY AS STANDARD

Cru offers the most secure fine wine storage solution.

Cru's #1 duty is to ensure that your wine is well looked after. Currently millions of pounds worth of wine is stored in uninsured warehouses, or in warehouses whose systems are not fit for purpose. We want to ensure collectors receive the highest standard of security and traceability.

CRU OFFERS:

Security of Title

- Itemised unique case IDs on all wines, which can be independently verified with the warehouse.
- All wines are held in numbered sub accounts, providing an independent record of ownership.
- Storage only in third party warehouses with no ownership relationship with Cru (no credit risk).

Top Quality Service

- Storage only in warehouses which have met our stringent checks for systems and security.
- Daily reconciliation of wines to check that Cru records match the warehouse (most other merchants don't do this).
- Full insurance at market value.

DARTESS

Dartess is the leading fine wine and spirits logistics supplier in France. Based in Bordeaux, the world's premier fine wine region, Dartess is part of the Tesson Group founded in 1919.
