- These 10 wines should **outperform the boarder fine wine market** over the medium to long-term.
- Having a *Wine Advocate* (Robert Parker) 100-point rating means that these wines will retain a prestige which should give them a **global appeal** for decades (like a bond having a "AAA" rating from S&P).
- All the wines on this list have plenty of room for further improvement in the bottle, ensuring that they have ample time to appreciate in value.
- **IMPORTANT NOTE:** *Many of the wines on the list have very low availability.*
