

What Price Perfection?

The World's 100 Point WA Wines Ranked by Price

Key Findings:

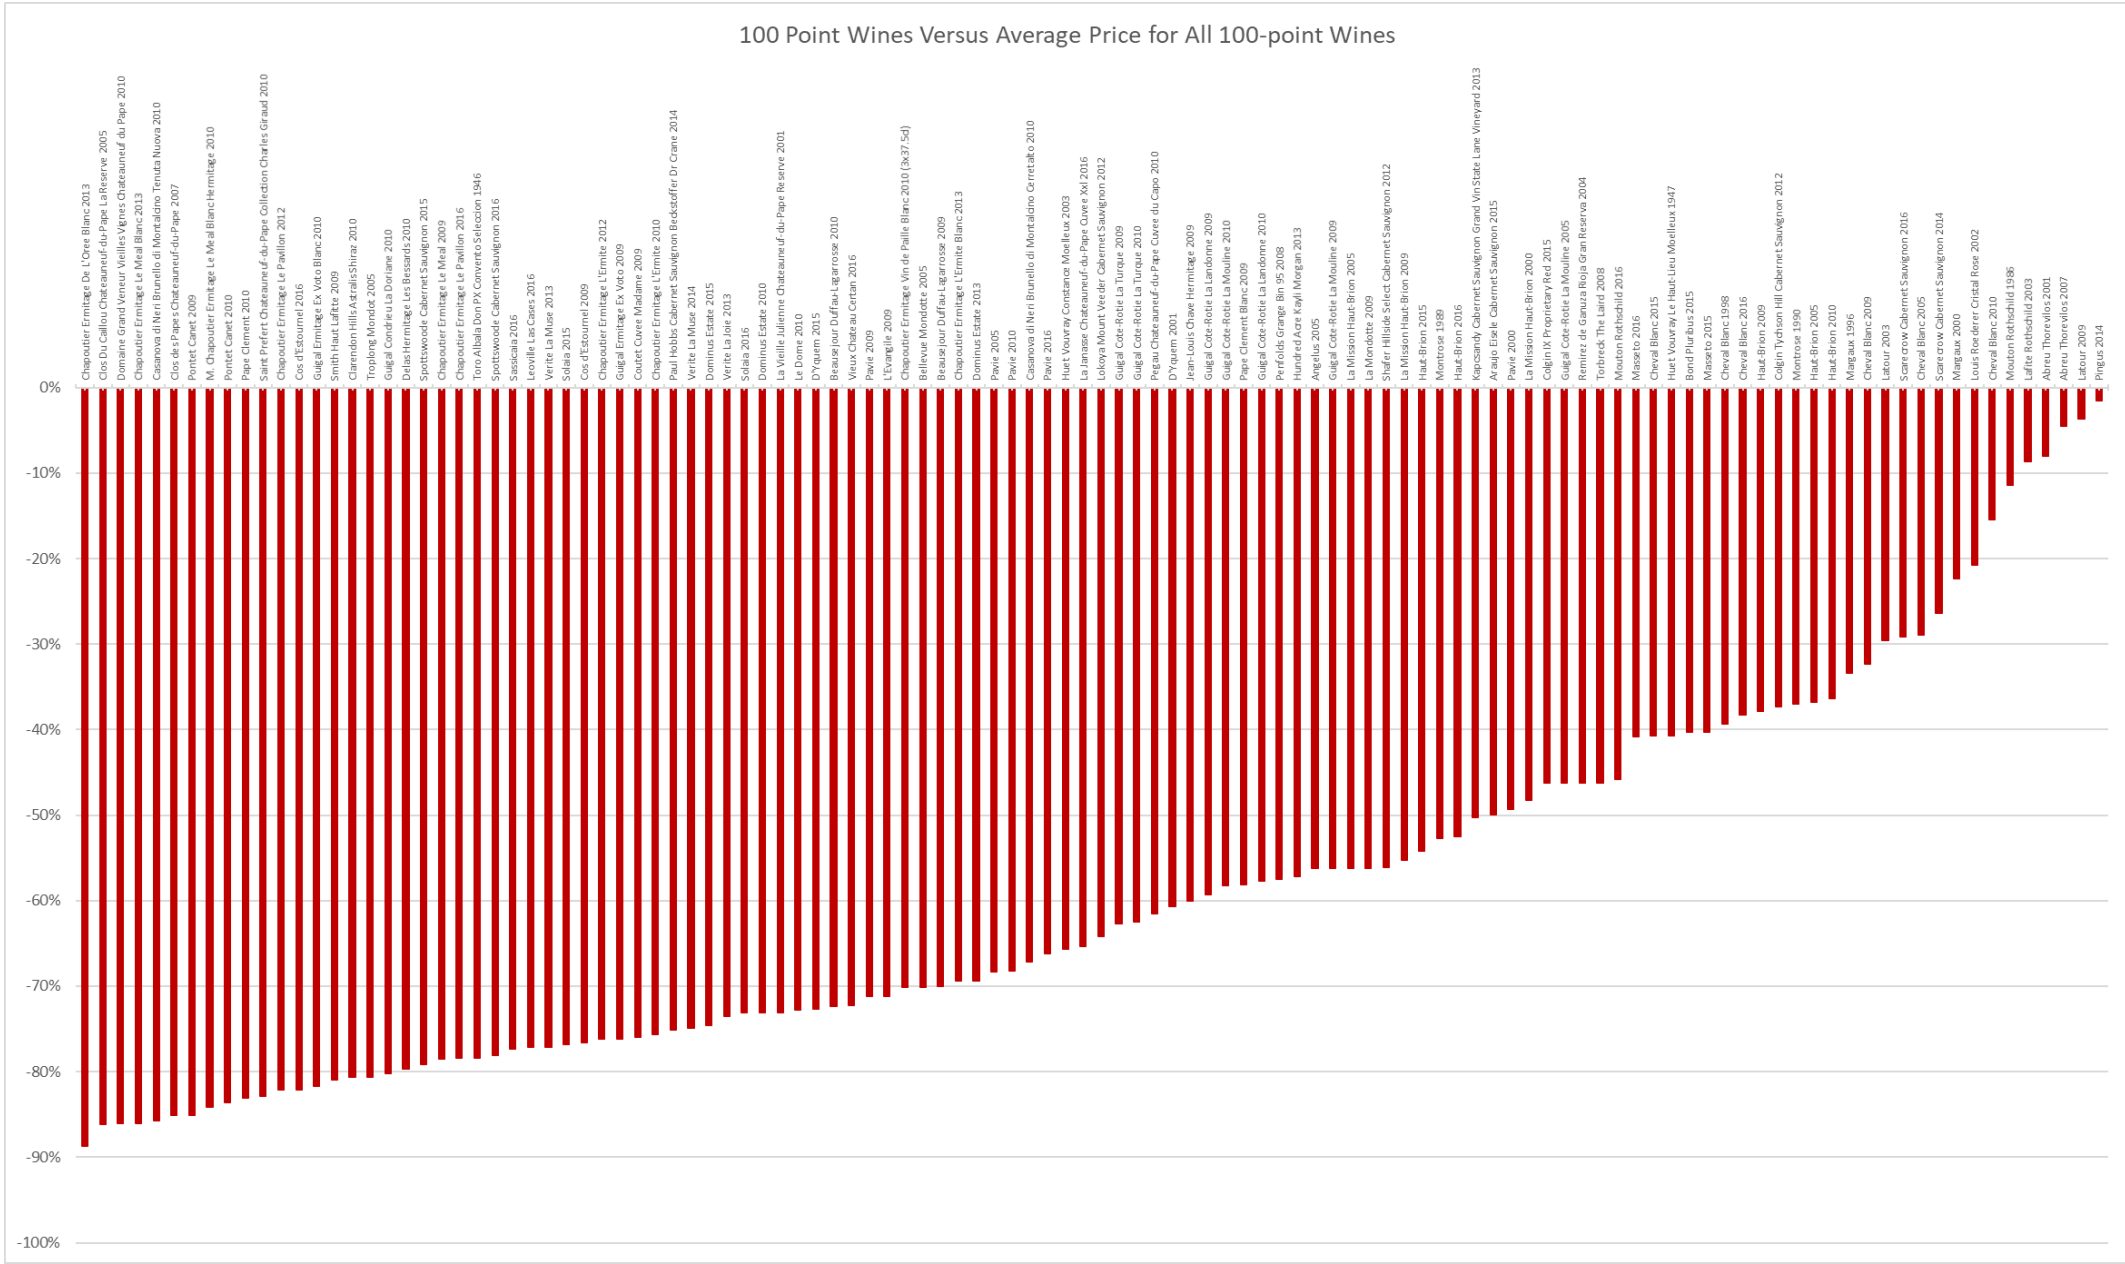

- *Wine Advocate* remains the **most impactful** fine wine critic.
- There is a clear **price premium** for 100-point scoring wines.
- There are **141** 100-point wines actively trading in the secondary market.
- The price of 100 point wines varies enormously - from HK\$5,575 to HK\$909,540 per 6x75cl.
- Price also varies significantly between regions. The best value is in the **Rhône Valley** and (perhaps surprisingly) **Bordeaux**.
- There are just 19 100 point wines trading under HK\$10,000 per 6x75cl.
- For long-term investors we recommend selective **buying of the cheapest 100 point wines**, which we expect to **outperform the broader market** over the next 10 years.

This report is intended for use by professional or business investors only. This report may not be reproduced without the consent of Cru.

The information and opinions expressed in this report have been compiled from sources believed to be reliable, but, neither Cru, nor any of its directors, officers, or employees accepts liability from any loss arising from the use hereof or makes any representations as to its accuracy and completeness. Any opinions, forecasts or estimates herein constitute a judgement as at the date of this report. There can be no assurance that future results or events will be consistent with any such opinions, forecasts or estimates. Past performance should not be taken as an indication or guarantee of future performance, and no representation or warranty, express or implied is made regarding future performance. This information is subject to change without notice, its accuracy is not guaranteed, it may be incomplete or condensed and it may not contain all material information concerning the product or products mentioned. Cru is not agreeing to nor is it required to update the opinions, forecasts or estimates contained herein.

The value of any products mentioned in this report can fall as well as rise. Foreign currency denominated products are subject to fluctuations in exchange rates that may have a positive or adverse effect on the value, price or income of such products.

This report does not have regard to the specific instrument objectives, financial situation and the particular needs of any specific person who may receive this report. Investors should seek financial advice regarding the appropriateness of investing in any products or investment strategies discussed in this report.

Cru (or its directors, officers or employees) may, to the extent permitted by law, own or have a position in the products of any company or related company or products referred to herein, and may add to or dispose of any such position or may make a market or act as a principal in any transaction in such products. Directors of Cru may also be directors of any of the companies mentioned in this report. Cru (or its directors, officers or employees) may, to the extent permitted by law, act upon or use the information or opinions presented herein, or research or analysis on which they are based prior to the material being published. Cru may have issued other reports that are inconsistent with, and reach different conclusions from, the information presented in this report. Those reports reflect the different assumptions, views and analytical methods of the analysts who prepared them.

For the purposes of this disclaimer, "Cru" shall mean: (i) Cru London Limited; (ii) Cru Asia Limited and (iii) from time to time, in relation to Cru London Limited and/or Cru Asia Limited, the ultimate holding company of that entity, a subsidiary (or a subsidiary of a subsidiary) of that entity, a holding company of that entity or any other subsidiary of that holding company, and any affiliated entity of any such entities.
